Breakfast with The Summit Group

We're looking forward to having you among us at our next breakfast meeting, and will have a seat reserved for you.

While the Summit Group Associates is not a business referral organization in the strict sense, we value learning how the expertise of others who might benefit our respective clients or other business people we know.

To make your visit as valuable as possible, we offer the following suggestions:

- We order off the menu. Your \$25 meeting attendance fee covers the cost of breakfast. **Please visit <http://summitassociates.com/Meeting-Guests.htm> to pay in advance using PayPal (any credit card will work).**
- We meet at the University Club, 924 East Wells Street. Enter the parking structure from North Prospect Avenue. We meet in the first floor breakfast room. The club prefers that its members and visitors dress business casual or better.
- We gather at 7:30 and order breakfast shortly after that. Our meetings last until 9.
- Prepare to briefly tell us what you do and what types of clients you seek. Focus on what value you bring to your clients.
- If you get lost or delayed and need to call, dial Tom Beug's cell phone at (414) 617-6692, or David Niles's cell phone at (414) 617-6597.

If you need to cancel this visit, please let us know. We'd be happy to discuss an alternative meeting date for your visit.

We look forward to meeting with you.
